TARGET GROUPS

"Bilbransjen" covers nearly 100% of the Norwegian motortrade: Car dealers, car repair shops, painting, weight stations and vocational schools. The members of **Norges Bilbransjeforbund (NBF)** pay for a subscription of the magazine for their leaders. The magazine has a considerable circulation in these units. The magazine is also distributed to a lot of public institutions.

READERSHIP

The magazine has about 25 000 readers
